International Cover Band

THE INSANES, five musicians and friends, burst on the scene in 1997 while MBA students at INSEAD in France. Originating from 4 different countries they are stylistically various and carry a storied history of musical talent and paths -- from a studio musician, a visceral punk guitarist, a country crooner, an a cappella singer to a serial cover band junkie. The group found their own groove while jammin out to legendary and timeless Rock 'n' Roll classics and smash hits that define generations.

Genres include Classic Rock, Alternative, Grunge, Blues and even a little Country -- from the groovy 60s, funky 70s, hairband 80s, alternative 90s to the experimental 21st century -- with each musician bringing their own artistic depth while staying true to the sounds of the original artists they play. Their ever-expanding songbook remains internationally recognized and diverse and is guaranteed to get the audience out on the dance floor.

They are a tight knit band having reunited across the globe for over 20 years entertaining family, friends, and locals with their rocking rhythms and electric guitar riffs -- they've even garnered a worldwide cult following with their alma matter -- packing every venue they've played and raising money for charity in the process. Who knew decades later they would still be jammin out from one continent to another all the while pursuing the corporate, entrepreneurial, NGO and VC life. These Execs were born to Rock!

This summer the INSANES will strap on the guitars, pick up the sticks and grab the microphones in London! If it's rock radio favorites your craving, then plan on an insanely fun night with THE INSANES! They remain truly dedicated to putting on a great show to please the audience. Their talent and experience guarantee every event is fun and seamless from setup to performance. If you would like more information about the INSANES please contact us.
